

Tung Wah Group of Hospitals Wong Fut Nam Collage Alumni Association (TWGHsWFNAA) Alumni Manager Election Guide (2026 Version)

Introduction

1. Since the implementation of school-based management in public sector schools in the early 2000s, the Education Bureau has been promoting the participation of key stakeholders in school management and decision-making. The aim is to introduce an open and transparent participatory governance framework in schools by including key stakeholders like teachers, parents and alumni in the Incorporated Management Committee (IMC). There shall be at least one alumni manager in an IMC. The IMC or sponsoring body (as may be provided for in the constitution of the IMC) may recognise one body of persons as recognised alumni association (RAA). TWGHsWFNAA is the recognised alumni association responsible for conducting the election of alumni manager(s) and, in accordance with section 40AP(4) of the Education Ordinance (the Ordinance), nominating such number of persons for registration as alumni manager of the school as may be provided for in the constitution of the IMC of the school.
2. This election guide, premised on the principle of “fairness and transparency” as provided for in section 40AP of the Ordinance on “Nomination of Alumni Manager”, outlines the procedures for the election of alumni managers. Please refer to Annex I for the relevant provisions of election of alumni managers in the Ordinance. This guide has been formally adopted by the Executive Committee of TWGHsWFNAA pursuant to the Constitution of the association. TWGHsWFNAA shall ensure that the guide is prepared well in advance of the alumni manager election.
3. The election of alumni managers shall be conducted by TWGHsWFNAA under whose constitution the system of election held for the purpose of making nomination of alumni manager is fair and transparent. Detailed arrangements of the election should be made known to all members of TWGHsWFNAA (“members”). All members should be consulted before formulating the alumni manager election system and any subsequent amendments to the election system shall be properly documented.
4. TWGHsWFNAA specifies in its constitution that **only members of the Association (Annual Members or Life Members) who have become such members before the commencement of the nomination period** are eligible to stand as candidates.
5. In accordance with section 40AP(6)(b) of the Ordinance, an alumnus shall not be nominated if he / she is a serving teacher of the school. Candidates should also note the registration requirements of managers set out in section 30 of the Ordinance.
6. As stipulated in the Ordinance, no manager shall serve in an IMC in more than one capacity, for example, no one can serve as an alumni manager and a parent manager at the same time. Thus, if there are two elections under different categories to be conducted concurrently in a school, no one should stand as candidate in more than one election.

Number and Tenure

7. **The number of alumni manager(s) and the tenure of office of alumni manager(s) shall follow the provisions of the IMC constitution.**

Nomination Procedures

Returning Officer

8. TWGHsWFNAA may assign the chairperson or an office-bearer as Returning Officer to oversee the different aspects of work including making of nominations, issuance of ballot papers and counting of votes. The Returning Officer must not be a candidate for the alumni manager election.

Period of Nomination

9. The nomination period shall **not be less than 14 calendar days**. The exact dates will be specified in the election notice.

Nomination

10. The Returning Officer should inform all members of the number of alumni manager vacancies, the period of nomination, method of nomination, date of voting, counting of votes and announcement of results and other relevant information. At the same time, the Returning Officer shall inform all members of the eligibility of candidature (paragraphs 4 to 6 above) and responsibilities of a school manager. A member may nominate oneself or another eligible member to stand for the election. The Returning Officer may specify the maximum number of nominees that each member can nominate, and consider whether it is necessary to establish a mechanism of seconding a nomination. Nevertheless, all such requirements must be reasonable in order to ensure that the mechanism for seconding the nomination is fair.
11. If no one stands for candidature in the election, TWGHsWFNAA may consider extending the deadline of nomination or conducting the election again after a lapse of some time. The election procedures should cater for such occasions and special arrangements should be made according to the principle of fairness and transparency.

Candidates' Information

12. Each nominated candidate should supply a brief statement of his / her personal information to the Returning Officer within the number of words as required by TWGHsWFNAA.
13. Not less than seven days before the election day, the Returning Officer should issue written notice to all members that lists the names of the nominated candidates and their introductory statements within the word limit (without the risk of incurring any legal liability in publishing these statements) (if any) and election arrangements, including procedures and the timetable. If possible, the Returning Officer can arrange a meeting for the candidates to introduce themselves to all members and answer questions from them.

Electors' Eligibility

14. TWGHsWFNAA specifies in its constitution that **only members of the Association (Annual Members or Life Members) who have become such members before the commencement of the nomination period** are eligible to vote.
15. The period between the date of voting for alumni manager election and the deadline of nomination should at least be two weeks.

Voting Method

16. To ensure a fair election, it is advisable for the voting to be conducted by secret ballot, i.e., electors are not allowed to put down their names or any other marks of identification on the ballot paper and should not let the other electors see whom they have voted for. A sample of the ballot paper is at Annex III for reference.
17. A locked ballot box should be provided for the election and the key should be kept by the Returning Officer. The Returning Officer shall inform all members of the voting arrangements in advance: if members are required to vote in person in the school, details of the date, time and venue of the voting should be clearly specified; if members are allowed to return the ballot papers within a specific voting period by other means (such as by post or in person), details of the start date and end date of the voting period, how the ballot papers would be issued and detailed arrangements of returning the ballot papers etc. should be provided. The Returning Officer should ensure that all means of returning

ballot papers are in compliance with the principle of confidentiality (especially if ballot papers are returned by post). TWGHsWFNAA should decide whether all ballot papers distributed (including blank ballot paper) should be returned, and the related arrangements should be made known to all members in advance.

Counting of Votes

18. The Returning Officer may arrange to conduct voting and counting of votes on the same day. All members, candidates, and the principal may be invited to witness the counting of votes.
19. The chairperson of TWGHsWFNAA and the Returning Officer should be present to witness the counting. During the time of counting the votes, the Returning Officer must make sure that all ballot papers have been poured out from the ballot box before counting starts. TWGHsWFNAA should specify in advance the circumstances under which votes will be declared invalid, for example —
 - (i) the number of candidates marked on the ballot paper exceeds the number of vacancy for that election;
 - (ii) the ballot paper has not been marked properly; or
 - (iii) the ballot paper is marked in such a way that the identity of the elector can be traced.
20. If there are more than one vacancy, the successful candidates are the ones who obtain the greatest number of votes, then the next greatest and so on until all vacancies are filled. When two or more candidates obtain the same number of votes, the arrangement should be specified in advance in the constitution of TWGHsWFNAA to determine who shall be elected, such as conducting a second round of voting or drawing lots. TWGHsWFNAA should also decide whether the mechanism of “uncontested nomination” will be adopted and inform members of the related arrangements in advance. The principle of fairness and transparency should be observed in this regard.
21. After the election, the Returning Officer should put all the cast ballot papers in an envelope, which will then be sealed and signed by the Returning Officer and the chairperson of TWGHsWFNAA. The envelope should be kept by TWGHsWFNAA. TWGHsWFNAA should not keep it for a prolonged period, but at least six months as they might be needed for investigation purposes in case of allegations against voting irregularity.

Announcing Results

22. The Returning Officer should inform all members of the results of the election.
23. Unsuccessful candidate may, within one week of the announcement of results, appeal to TWGHsWFNAA in writing together with the reasons. TWGHsWFNAA should stipulate in its constitution the appeal mechanism for the election of alumni managers and ensure that the mechanism is fair and transparent.

Enquiry

24. To facilitate smooth conducting of the election, it is advisable for the Returning Officer to provide members with practicable means of communication, such as contact email or telephone, so that all enquiries related to election can be timely handled.
25. TWGHsWFNAA shall nominate the alumnus / alumni elected as an alumni manager(s) of the school in accordance with section 40AP(4) of the Ordinance, and notify the IMC of the result of the alumni manager election. The elected alumnus / alumni shall apply to the Permanent Secretary for registration as manager(s) of the school in a specified form. All related information of the election should be properly documented.

Filling of Vacancies

26. If an alumni manager vacancy arises out of either the expiry of term of office or resignation tendered by the manager during the term of office, TWGHsWFNAA shall conduct an election and make nomination of alumni manager(s) to fill the vacancy within three months. If TWGHsWFNAA does not have any nomination for alumni manager(s), the IMC should notify EDB in writing of the situation. Separately, the IMC may, upon consulting the alumni / TWGHsWFNAA, nominate such number of persons for registration as alumni manager of the school as may be provided for in its constitution in accordance with section 40AP(5) of the Ordinance.

Checklist

27. In order to ensure compliance with the requirements of the alumni manager election process, the IMC / TWGHsWFNAA should complete the checklist provided in Annex IV before submitting the application for alumni manager registration to ensure that all necessary requirements and procedures are followed.

Points to Note

28. Members, being candidates and voters in the alumni manager election, shall note the ethical conduct listed at Annex V to ensure fairness and impartiality in the election process.
29. On receiving an application for registration as a manager of a school, the Permanent Secretary shall make such inquiry as he / she considers necessary. Also, the Permanent Secretary may refuse to register an applicant as a manager of a school on grounds stipulated in section 30 of the Ordinance.
